He wore a tweed sports jacket and slacks that, as far as Junior could tell, were the same clothes he'd worn on the night he died. Apparently, even the ghosts of Sklent's atheistic spiritual world were stuck for eternity in the clothes in which they had perished..Meanwhile, before they needed to plan the wedding, there was time for an orange soda and a root beer, and more of Dr Jekyll and Mr Hyde..Hound shrugged. He

didn't choose to tell Losen that people hated him disinterestedly..Grace, Celestina, and Paul expressed amusement and amazement at Angel's critical judgment.."-called himself King Obadiah, Pharaoh of the Fantastic. He traveled all over the country playing nightclubs-".He had difficulty picturing the detective pattering in the garden on weekends. Unless there were bodies buried under the roses.."I already told you-anything in your heart is as easy to read as the open page of a book..".Holding the mug in his right hand, Tom picked up the coin and rolled it across the knuckles of his left. Paul's quarter, after all. A two-bit temptation to panic. As gifted with physical grace as with good looks, Junior stepped into the bedroom doorway, lithely and with feline stealth. He leaned against the jamb.."No member of the society ever violates a secret confidence," Agnes assured him.."I didn't know it myself till I realized I was right in your neighborhood. I assumed your mother and Angel would be here, and I hoped you might be. If I'm intruding-".Junior closed his weary eyes and gratefully submitted as the paramedic wiped his greasy face and his crusted lips with a cool, damp cloth.."Well, Uncle Jacob doesn't understand kids. Anyway, this is pretty good stuff..".It seems it was his own idea, your majesty..".By now he recognized that the man approaching from the other graveside service was neither a Negro nor a stranger. Detective Thomas Vanadium was annoying enough to be an honorary Hackachak..In fifty years, until Angel, Tom had found no other like himself and now a second in little more than a week. "I can't do what you did..".Widening his eyes in calculated surprise, Junior said, "Are you a police officer?".Worse, to make credible his anguish and to avoid suspicion, he would have to play the devastated widower for at least another couple weeks, perhaps for as long as a month. As a dedicated follower of the self-improvement advice of Dr. Caesar Zedd, Junior was impatient with those who were ruled by sentimentality and by the expectations of society, and now he was required to pretend to be one of them-and for an interminable period of time..Angel moved her hand to Barty's right eye, and again he didn't twitch with surprise when her fingers lightly touched his closed and sagging lid. "I won't let you forget..".The sole male guest in whom he took an interest-a big interest was Sklent, the one-name painter whose three canvases were the only art on the walls of Junior's apartment..He tried to lean back as he dropped, with the hope that he would fall under her, providing cushion if they met with sidewalk instead of lawn..Paul recalled the letter he had written to Reverend Harrison White a couple weeks after the death of Joey Lampion. He'd carried it home from the pharmacy on the day that Perri died, to ask for her opinion of it. The letter had never been mailed..Although her hands were shaking and her knees felt as though they might buckle, Agnes lifted two pies off the table..The missing paintings. The missing collection of Zedd's books. You didn't take these things with you for a weekend in Reno. You took them if you thought you might never be coming back..Thus began the first day of the last weekend of their old lives. Maria visited on Saturday, sitting in the kitchen, embroidering the collar and cuffs of a blouse, while Agnes baked pies..Police identified Junior as the prime suspect, and newspapers featured his photograph in most stories. They referred to him as "handsome," "dashing," "a man with movie-star good looks." He was said to be well known in San Francisco's avant-garde arts community. He got a thrill when he discovered that Sklent was quoted as calling him "a charismatic figure, a deep thinker, a man -with exquisite artistic taste .... so clever he could get away with murder as easily as anyone else might get away with double-parking. " "It's people like him," Sklent continued, "who confirm the view of the world that informs my painting..".Junior got in the car once more, slammed the door, and said, "Panfaced, double-chinned, half-bald, puke-collecting creep..".From the phone, Barty proceeded directly to the refrigerator. He opened the door, got a can of orange soda, and returned without hesitation to his chair at the table..NOLLY WULFSTAN, private detective, had the teeth of a god and a face so unfortunate that it argued convincingly against the existence of a benign deity..This wasn't thrill killing-which, now that he'd had time to think about it, he realized was beneath him, even if in the service of personal growth. This would be murder for good, justifiable cause..The sound-suppressor didn't render the pistol entirely silent, but the three soft reports, each like a quiet cough muffled by a hand, wouldn't have carried beyond the hallway..Doesn't look so spooky to me." She turned the knave of spades so the baby could see it. "Does he scare you, Barty?".In her arms, little Barty burbled contentedly, unaware that his destiny supposedly included epic love, fabulous riches, and violence..Junior was impressed and delighted by her clever assumption of it strictly professional voice and demeanor, which convincingly masked her intense desire. Sweet Victoria was a worthy coconspirator..Another pocket. More cartridges. Trying to squeeze just two into the magazine, but his hands shaking and slippery with sweat..Chan nodded. "Considering the advanced stage of Bartholomew's malignancies, he should have complained earlier than he did..".Although he didn't believe in destiny, in fate, in anything more than himself and his own ability to shape his future, Junior couldn't deny how extraordinary it was that this woman should cross his path at this precise moment in his life, when he was frustrated to the point of cerebral hemorrhage by his inability to find Bartholomew, confused and nervous about the phantom singer and other apparently supernatural events in his life, and generally in a funk unlike any he had ever known before. Here was a link to Seraphim and, through Seraphim, to Bartholomew..On the two-chair bed beside her mother, Angel issued small cries of distress in her sleep. Whatever presences flocked around her in the dream, they weren't baby chickens..Halos and rainbows loomed in her memory, ominous as they had never been before..Her hands were locked together in her lap, gripped so tightly for so long that the muscles in her forearms ached. "What's wrong?".He also sought a supplier of high-quality counterfeit ID. This proved easier than he anticipated..In all their years, neither twin had ever set foot beyond the limits of Bright Beach. They both appeared nervous but determined..During Junior's brief stroll, the sidewalk ended, giving way to the graveled shoulder of the road. He saw no one on foot, and no vehicles passed him.."It's there even when you read to me now. The sad feeling, I mean. It changes the story, makes it not as good, because I can't pretend I don't hear how sad you are..".Captivated by catastrophe, so lost in his book that he might as well have stepped magically inside of it and closed the covers after himself, Uncle Jacob didn't answer..he wasn't wholly without feeling, of course. A poignant current of sadness eddied in his heart, a sadness at the thought of the love and the happiness that he and the nurse might have known together. But it was her choice, after all, to play the tease and to deal with him so cruelly..Blink, the living room. Turning off Sinatra halfway through "It Gets Lonely Early..".Glancing at his wristwatch with alarm, Edom bolted up from his chair. "Look at the time! Agnes gave me a lot to do, and here I am rattling on about earthquakes and cyclones..".Not every coincidence, however, has meaning. Toss a quarter one million times, roughly half a million heads will turn up, roughly the same number of tails. In the process, there will be instances when heads turn up thirty, forty, a hundred times in a row. This does not mean that destiny is at work or that God-choosing to be not merely his usual mysterious self but utterly inscrutable-is warning of Armageddon through the medium of the quarter; it means the laws of probability hold true only in the long run, and that short-run anomalies are meaningful solely to the gullible..Maria said nothing, working busily, but Agnes recognized that special silence in which difficult words were sought and laboriously stitched together..Assuming that the boy had closed his eyes and was talking to himself, somewhere

between his self-told bedtime story and a dream, Agnes retreated from the room, pulling the door only half shut behind her. Scamp was a multitalented woman, with smoother skin than a depilated peach, with more delicious roundnesses than Junior could catalog, but she proved not to be the remedy for his tension. Only Bartholomew, found and destroyed, could give him peace. Deeply distressed that he was planning the funeral of a man as young as Joe Lampion, whom he had liked and admired, Panglo paused to express his disbelief and to murmur comforting words, more to himself than to Jacob, as each decision was made. With one hand on the chosen casket, he said, "Unbelievable, a traffic accident, and on the very day his son is born. So sad. So terribly sad." The reception was from six o'clock to eight-thirty. If she were to arrive on time, guardian angels would have to be perched on all the traffic lights along the way. The receptionist, Rebecca, had stayed late, just to keep company with Barty in the waiting room. As she settled into a chair beside the boy, he asked her if she knew what gravity was on Mars, and when she confessed ignorance, he said, "Only thirty-seven percent what it is here. You can really jump on Mars." If the wife killer had cut himself accidentally, his writing on the wall indicated a hair-trigger temper and a deep reservoir of long-nurtured anger. Her brothers' solemnity irritated Agnes. They appeared to be taking this reading seriously, as though it were far more than just a little after-dinner entertainment. Instead, she saw Phimie reborn. She saw, as well, a child endangered. Somewhere out there was a rapist capable of extreme cruelty and violence, a man who would--if Phimie was correct--react unpredictably if ever he learned of his. Succinctly, Edom told Jacob about visiting Obadiah, the magician with the mangled hands. Then: "When we left, I followed Agnes, and Obadiah held me back to say, 'Your secret's safe with me.'" He ran gasping, praying, feet slapping the concrete sidewalk, frightening birds out of the purple brightness of blossom-laden jacarandas and out of Indian laurels, terrorizing a tree rat into a lightning sprint up the bole of a phoenix palm. The few people he encountered reeled out of his way. Brakes shrieked as he crossed intersections without looking both ways, risking cars and trucks and rhinoceroses. Babies of unwed mothers--especially of dead unwed mothers, and especially of dead unwed mothers whose fathers were ministers unable to endure public mortification--were routinely put up for adoption. Since Seraphim had given birth here, the baby would be--no doubt already had been--adopted by a San Francisco-area family. Spinning off the stool, he had also spun out of control. Second by second, twin storms of anger and fear whirled stronger within him. He usually ate lunch alone in his office. The room was the size of an elevator, but of course didn't go up or down. It went sideways, however, in the sense that herein Paul was transported into wondrous lands of adventure. This was only a fraction of Paul's collection. Thousands of additional issues filled rooms at home. Outside, flames churned to the left and right of the opening. The front of the house was afire. Hisscus, Nork, and Knacker exchanged sharp glances, nonplussed. Finally, one of them said, "We couldn't do that, Mr. Cain. Not until you've consulted an attorney." Celestina screamed "Here! In here!"--as she slapped the magazine into the butt of the pistol. Orange firelight bloomed in the living room below, a wave of heat washed over Paul, and immediately behind the heat came greasy masses of roiling black smoke, drawn to the stairwell as to a flue. Suddenly and seriously crept out, Junior wanted to get away from this nut case. Yet he was frozen by morbid fascination. Carrying him to the window, gazing up at the stars, the moon, she said, "I'll always read to you, Barty." He bought cracker sandwiches, some filled with cheese and some with peanut butter, redskin peanuts, chocolate bars, and Coca-Cola. Although this was an unhealthy meal, cheese and peanut butter and chocolate shared a virtue: they were all binding. "December 1, 1958, in Chicago, Illinois, a parochial-school fire killed ninety-five." The heavy hand would come down on his shoulder, he would be spun around against his will, and there before him would be those nailhead eyes, the port-wine stain, facial bones crushed by a bludgeon. On this occasion, however, he couldn't have focused on a book even if he'd had the strength to hold it. The fierce paroxysms that clenched his guts also destroyed his ability to concentrate. WHILE THE SLATS of ash-gray light slowly lost their meager luster, and sable shadows metastasized in sinister profusion, the sentinel silence remained unbroken between Junior Cain and the birthmarked man. When the third knave of spades appeared, Edom said to Maria, "What kind of enemy does three in a row describe?" Returning to his apartment, Edom had to pass under the limbs of the majestically crowned oak that dominated the deep yard between the house and the garage. Nolly shuddered. "The wilds of Oregon. I don't intend ever to go there until it's civilized." "So what I am is I'm your talking eyes." Lowering her hand from his face, Angel said, "Do you know where bacon comes from?" Teasing out the card, Edom saw that it was an ace of diamonds--remarkable in light of Maria Gonzalezs fortune-telling session last Friday evening. He was more astonished, however, by the name printed in black ink diagonally across the face of the card: BARTHOLOMEW. Junior glimpsed Vanadium first in profile--and then, as the cop rode down and away, only the back of his head. He hadn't seen this man in almost three years, yet he was instantly certain that this was no coincidental look-alike. Here went the filthy-scabby-monkey spirit itself. Anyway, the thing that scared her was not the monstrous father of this child. The fearsome thing was the decision that she had made a few minutes ago, in the unused hospital room on the seventh floor. Even on good days, when he wasn't hassled by the spirits of dead cops and wasn't prepping himself to commit murder, Junior sometimes grew uncomfortable in these bustling crowds. This afternoon, he felt especially claustrophobic as he shouldered through the throng--and admittedly paranoid, too. His exceptional sensitivity remained a curse. He had been more profoundly affected by Victoria's and Vanadium's tragic deaths than he had realized. Wrenched, he was. In that slow, flat delivery with which Junior was becoming increasingly impatient, Detective Vanadium said, "We all were, Doctor. It was another election year, remember? More than once during that campaign, I could've chugged ipecac. What else would work if I wanted to have a good vomit?" "Nature has no maternal instincts," Edom said quietly but with conviction. "To think otherwise is sheer sentimentality at its worst. Nature is our enemy. She's a vicious killer." After an interminable silence, the detective said, "Do you know what believe about life, Enoch?" Junior kept both forged driver's licenses in his wallet, in addition to the one that featured his real name. He stowed everything else in Pinchbeck's and Gammoner's safe-deposit boxes, along with the emergency cash. The 9-mm pistol and the ammunition were on the foyer table. With trembling hands, Junior tore open the boxes and loaded the gun. Clutching the blanket, she thought of the funerary lap robes that red the legs of the deceased in their caskets, for she felt sometimes cove half dead. Both feet in this world--yet walking beside Joey on a strange road Beyond. Spacious, the living room was furnished for two purposes: as a parlor in which to receive visiting friends, but also with two beds, because here Paul and Perri slept every night. "Yes, but it's a Catholic hospital, and they offer this option to all unwed mothers--doesn't matter what their religion." The painkiller was not morphine-based, and it did not signal its presence in the system by inducing sleepiness or even a faint blurring of the senses. After forty minutes, however, he was sure that it must be effective, and he put the book aside. As he was wheeled headfirst into the operating room, Barty raised off the gurney pillow. He fixed his gaze on his mother until the door swung shut between them. The baby felt too light to be real. She weighed five

pounds fourteen ounces, but she seemed lighter than air, as though she might float up and out of her aunt's arms.
